Introduction

Hi, I'm Dave. I'm an ESOL teacher and teacher trainer based in an FE college in Glasgow. I have been teaching ESOL Literacy groups for almost 20 years. However, when I started with this level, I found it difficult to find material. I would spend hours looking for books and worksheets or creating my own resources from scratch. I compiled this work into the **Read and Write every day** series for basic ESOL Literacy groups (pre-entry).

A sample unit of the Read and Write every day Student's Book is included in this booklet. Please feel free to photocopy any of the samples on our website and use them with your class.
